Report of the Event

1. Webinar

23rd September 2021

“Career Opportunity in Indian Financial Market and Investor Awareness”

A Webinar by Bombay Stock Exchange BSE on Topic “Career Opportunity in Indian Financial Market and Investor Awareness” was conducted for the P.G Students of Commerce Dept. in which along with the students, Professors of other Dept. also took the active participation

Key Note Speakers were Financial Education Trainer by NISM & Resource Person Bombay Stock Exchange (BSE).

Lecture was Amazing and Beneficial for the Students. Student Took Active Participation in Question Answer session. Webinar turned to be fruitful in the growth of student’s knowledge on financial market, savings and investment.

Sr. No.	Particulars	Details
1.	Name of the Department	COMMERCE
2.	Name of the Activity /Competition	Webinar on “Career Opportunity in Indian Financial Market and Investor Awareness”

2.3.4 Teaching – Learning Process

2.3.1 Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

Report of the event -

Seminar on Organizational Behaviour and Practices

Date-21st&22nd.April.2022

M.com 2nd. Semester students have given seminar on 21st& 22nd.April.2022 at Reading room, department of Commerce on Organizational Behaviour and Practices. It was organized by Smt. Nivritti James.

Student's dealt with various topics of Organizational Behaviour and Practices which helped them to understand the conceptual framework of the subject.

This seminar benefitted students in improving their communication skills, building confidence and shaping their personality at public speaking.

Leadership and its different styles, theories gave an idea of numerous options suitable according to once personality and organization needs. Theories and process of motivation presented provided different ways of pushing employees towards organizational goals. Organization Behaviour and its concept were cleared with perception, learning, attitudes and personality transactional analysis.

Psychology

2.3.1 Teaching-Learning Process

2.3.1 Student centric methods, such as experiential learning, participative learning and problem-solving methodologies are used for enhancing learning experiences

Report of the Event

1. Observation Report

Field of visit- Swami Atmanand Higher Secondary English Medium School

Date: 12/03/2022

The students of B. A. third semester Psychology visited Swami Atmanand Higher Secondary English Medium School. All the students actively participated and inspected every department of the school, after getting inputs from the Principal, faculty, and students, an accurate report of the observation was prepared and evaluated by them. The students suggested making the school more beneficial for the physical and mental development of the children. The confidence level of the observers (B.A. III Semester Psychology students) increased, they got field experience and this field visit was very useful for the students.

3. Case Study

Field of visit- Kaivalya Therapeutic clinic, Tilak nagar, Bilaspur

Date: 24/Oct./2021-30/ Oct. /2021

From the beginning of session 2021, students of M.A. were taught the skill of taking a case history and preparing its report. Students designed their case reports on several important points. Such as demographic details of the client and their parents, Chief complaints of the client, and some screening tests are done. Apart from screening tests general assessments, achievement motivation, anxiety, depression, stress tests, etc. were administered to identify their real problem. Finally, with the expert's help, students diagnosed the problem of the people. A proper report has been prepared and the client has been referred for further consultation.
