

## *Government Bilasa Girls P. G. College Bilaspur (C. G.)*

6.1.1 - The governance of the institution is reflective of an effective leadership in tune with the vision and mission of the Institution

### VISION

*“Saa Vidya Yaa Vimuktaye”* ( Vishnu Puran 1.19.41)

Knowledge is that which liberates

Adhering to the dictum, the college is making relentless efforts for the liberation and empowerment of young women of the region by imparting knowledge.

The vision of the institution is to evolve through collective leadership into a centre of academic excellence which while retaining its regional roots is able to encompass and articulate global concerns and the wider social imperatives. It seeks to achieve a wholesome synergy between academic practices, social empathy, cultural proclivities and cocurricular responsibilities so that all stakeholders may benefit and students particularly, may develop to their fullest potential.

### MISSION

- To provide a holistic and enabling environment of study to young women hailing from diverse demographics.
- To expand the range of disciplines/subjects available to students at the under-graduate level.
- To introduce post-graduate programmes in a phased manner.
- To consistently upgrade its teaching-learning policy, methods and apparatus so as to be able to deliver its core services in a relevant and up-to-date manner.
- To incorporate value-added, vocational and technical courses in its curriculum.
- To continue to enhance its extension activities and outreach programmes.

The institution follows a democratic and participatory mode of governance with all stakeholders participating actively in its administration. The Governing Body delegates authority to the Secretary and Principal who, in turn share it with the different levels of functionaries in the college. The Heads of Departments, the Conveners of various committees and cells along with the staff representatives on higher decision-making bodies play an important role in determining the institutional policies and implementing the same.

The institution has a Perspective/Strategic Plan in place to help it develop in a systematic, well-thought-out and phased manner.

1. Application for grants from government and non-government sources.

2. Extension of available area to accommodate more classrooms, laboratories, auditoria, etc.
3. Renovations to revive the ageing infrastructure of the institution.
4. Improvement of the Scope and Profile of the Teaching-Learning Experience through greater use of ICT and other innovative means.
5. Achievement of national and international recognition in the form of grants and awards.
6. Partnering with Research Institutes.
7. Mobilization of funds and projects through the alumnae and other stakeholders.

#### **Participation of Teachers in Decision-Making Bodies.**

- Teachers discharge an important role in implementing the vision and mission of the college and to that end play a proactive part in the decision-making process. Head of the Departments enjoy considerable administrative and academic autonomy in running their disciplinary units.
- Besides, teachers are members and conveners of the various committees that are instituted for the day-to-day functioning of the college. Some of these committees are the Academic Council, the Examination Committee, the Admission Committee, the Library Committee, the Journal Committee, the Seminar and Research Committee etc. Teachers, through their agency and autonomous interaction on these bodies are able to contribute in a significant way to the participatory ethos of the institution. They determine admission criteria, marks cut-offs, examination modalities, journal themes, library practices, various teaching learning innovations and other academic priorities.

**Administration:** Administration plays a pivotal role in the entire development of the institution. Institution firmly believes to provide quality education to the learners of this region. The college administration puts in very sincere role in the implication of policies, programs and initiatives associated with vision and mission of college. The administration ensures smooth functioning in all areas like admission, account, finance, record keeping, examination, evaluation and supervision and maintenance.

#### **IQAC, Departments, Cells, and Faculty Members:**

**Principal:** The Governing body along with the principal provides the entire academic and operational support to all the academic and administrative matters.

**IQAC Coordinator:** Internal Quality Assurance Cell monitors the academic and administrative activities.

**HoD:** The Heads of the various departments and the faculty members perform their active role and responsibilities associated with the vision and mission of the college. The faculty members represent the ethics and professionalism in education.

**Librarian:** Library also plays important role in initiating vision and mission of college.

**Sports Officer:** Sports Officer looks in to the sports affairs in the college and constantly monitor the sports activities and events in and outside the college.

**Non -Teaching staff** plays crucial role in managing and accomplishing the work.
