

Government Bilasa Girls P.G. College Bilaspur (C.G.)

A Report on 7.1.9. Sensitization of students and employees

Sensitization of students and employees of the Institution to the constitutional obligations is done through curriculum as well as through extra-curricular activities. Many of the subjects offered have topics which sensitize the students about the constitutional obligations. The college has introduced a compulsory paper on the Constitution of India at Degree level to create awareness and sensitizing the students and employees to constitution obligation. As a part of strengthening the democratic values. Also, all students take a course on Environment studies in their first year which gives them insight into environment acts, wildlife protection act, forest act, global environmental concerns etc. In addition to this many regular programs are conducted by the institute to educate women about their rights. Also, seminars and workshops are conducted on days of national importance on various rights, duties and responsibilities of citizen. Seminars on topics like Right to Information, Sexual Harassment, and Gender Equity are conducted periodically. Every year Republic Day is celebrated on 26th January by organizing activities highlighting the importance of Indian Constitution. Constitution Day is also celebrated by taking an oath. Independence Day is also celebrated every year to highlight struggle of freedom and importance of Indian constitution.
