

GOVT. BILASA GIRLS' P.G. AUTONOMOUS COLLEGE, BILASPUR

2.3 - Teaching Learning Process

2.3.1 - Students Centric Activities

Session 2023-24

2.3 Teaching- Learning Process

2.3.1. Student Centric Activities:

Student-centric activities like experiential learning, participative learning, and problem-solving activities place the student at the heart of the educational process.

- ❖ Experiential learning encourages students to engage directly with real-world situations, allowing them to learn through experience and reflection.
- ❖ Participative learning fosters collaboration, where students actively contribute to discussions, projects, and group work, enhancing critical thinking and communication skills.
- ❖ Problem-solving activities challenge students to apply their knowledge to address complex issues, promoting creativity and analytical thinking. These activities make learning more engaging and prepare students with skills essential for the workforce and life beyond the classroom.

Our institution is continuously working on student-centric activities categorized in the table below:

Experiential Learning	Participative Learning	Problem-Solving
<ul style="list-style-type: none">• Invited Lectures• Educational Tours and Excursion trips• Workshops & Training Programs• Learning through Extension Activities	<ul style="list-style-type: none">• Assignments and Seminars For Students• Peer Teaching• Learning Through Competitions• Learning through Competitions• Learning through Activities• Learning through Quiz• Celebration of National & International Days• Participation in Cultural Activities	<ul style="list-style-type: none">• Seminars on special topics• Group Discussion• Guidance and Counseling• Doubt Removal Classes.

Report of the Event

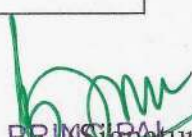

2. Guest Lecture for P.G. Students

An in-person session on the topic of Luminescence was organized by Physics Department for MSc first-semester Physics students on August 03, 2023. The lecture was delivered by Dr. Ravi Sharma, Assistant Professor and Head of the Physics Department at Government S.G.S. College, Devendra Nagar, Raipur, Chhattisgarh. He presented comprehensive insights into areas such as luminescent materials, various synthesis techniques, characterization methods (XRD, SEM, TEM), luminescence properties, and future applications. Around 50 students actively attended and benefited from this offline lecture.

6. Guest Lecture for competitive Exam

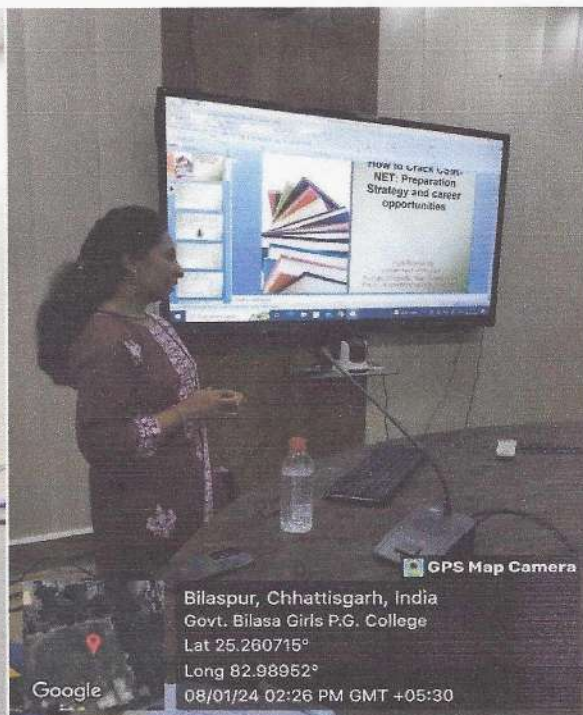

An offline session titled "How to Crack CSIR NET Physics" was conducted by the Physics Department for MSc Physics students on January 8, 2024. The session was led by Dr. Tripti Richhariya, Assistant Professor in the Department of Physics at Kalinga University, Raipur, Chhattisgarh. Dr. Richhariya provided an in-depth overview of the complete syllabus for Paper II, covering core and advanced topics, recommended reference books, and an effective study timetable for exam preparation. The session also included an extended interactive segment and problem-solving activities, offering valuable guidance to the students.

7. Guest Lecture on Cyber security and IOT

An offline session on "Cyber Security and IoT" was organized by the Physics Department for MSc Physics students on February 2, 2024. The session was conducted by Dr. Tarundhar Diwan, Exam Controller at Atal Bihari Vajpayee University and Assistant Professor in the Department of IT at Govt. E.R.R. Science P.G. College, Bilaspur, Chhattisgarh. Dr. Diwan provided a comprehensive overview of the role of IoT in modern society, along with detailed insights and case studies on cyber security. The session featured an engaging interactive segment and problem-solving activities, offering students valuable knowledge and practical guidance..

आयोजन • बिलासा गर्ल्स कॉलेज के भौतिक विभाग में ल्यूमिनिसेंस टॉपिक पर व्याख्यान हुआ शोध से समाज तक सस्ता प्रकाश पहुंचा सकते हैं: डॉ. शर्मा

एकूणरनरिपोर/बिलासपुर

बिलासा गर्ल्स कॉलेज में भौतिक शास्त्र विभाग में गुरुवार को संदीप्ति (ल्यूमिनिसेंस) टॉपिक पर एक विशेष व्याख्यान का आयोजन किया गया। मुख्य वक्ता शासकीय कन्या कॉलेज देवेंद्र नगर रायपुर के डॉ. रवि शर्मा हैं। उन्होंने एमएससी भूतल इंधन के छात्रों को बताया कि कम तापमान पर उत्सर्जित होने वाले प्रकाश को संदीप्ति (ल्यूमिनिसेंस) कहा जाता है।

प्रकृति में कई प्रकार के प्रकाश हैं, बहुत से प्रकाश का अध्ययन हो रहा है और उतने ही बारी है। इनको खोज जारी है। प्रकाश के प्रकार पर उन्होंने कहा कि निम्नलिखित, जुगनु, एवं समुद्री

व्याख्यान के बाद रायपुर गर्ल्स कॉलेज के प्रोफेसर डॉ. रवि शर्मा के साथ छात्राएं।

जीवों में भी प्रकाश उपलब्ध है। उन्होंने कहा कि एमएससी अंतिम और पूर्व के छात्राओं के शोध के माध्यम से हम समाज के लिए उनकी आवश्यकता व महत्व और प्रकाश का सस्ता रूप प्रदान कर सकते हैं। उन्होंने पत्थर, सूर्य से

किस तरह का प्रकाश मिलता है उसे रोचक ढंग से सचित्र छात्राओं को बताया। कॉलेज के प्राचार्य प्रो. कमलेश ठक्कर ने कार्यक्रम का संचालन किया। स्वागत भौतिकशास्त्र की प्राध्यापिका डॉ. मंजू बनर्जी ने किया।

छात्राओं के सवालियों के भी दिए जवाब

डॉ. शर्मा भौतिकीय व जैविकीय प्रकाश के साथ इसके अन्य प्रकारों की जानकारी भी दी। बायो-ल्यूमिनिसेंस, रासायनिक ल्यूमिनिसेंस, इलेक्ट्रो-ल्यूमिनिसेंस, मेकेनिकल ल्यूमिनिसेंस, रेडियो-ल्यूमिनिसेंस, फोटो-ल्यूमिनिसेंस इत्यादि के बारे में विस्तार बताया। इस दौरान छात्राओं द्वारा पूछे गए सवालों को भी उन्होंने उदाहरण सहित सचित्र समझाया। इस दौरान मौजूद छात्राओं को व्याख्यान से प्रकाश से जुड़ी सभी अवधारणाओं के साथ-साथ कई नई जानकारियां भी मिलीं।

कम तापमान पर उत्सर्जित होने वाले प्रकाश को कहा जाता है संदीप्ति: रवि शासकीय बिलासा कन्या स्नातकोत्तर महाविद्यालय में अतिथि व्याख्यान का आयोजन

बिलासपुर। शासकीय बिलासा कन्या स्नातकोत्तर महाविद्यालय के भौतिक शास्त्र विभाग द्वारा 3 अगस्त को अतिथि व्याख्यान का आयोजन किया गया। मुख्य वक्ता डॉ. रवि शर्मा, प्राध्यापक, शासकीय कन्या महाविद्यालय देवेंद्र नगर रायपुर ने अपने व्याख्यान में बताया कि कम तापमान पर उत्सर्जित होने वाले प्रकाश को संदीप्ति (ल्यूमिनिसेंस) कहा जाता है।

प्रकृति में बहुत प्रकार के प्रकाश हैं, बहुत से प्रकाश का अध्ययन हो रहा है और उतने ही लगभग बने हुए निम्नलिखित खोज हो रहा है। प्रकाश के प्रकार पर प्रकाश डालते हुए उन्होंने कहा कि निम्नलिखित, जुगनु, एवं समुद्री जीवों में भी प्रकाश उपलब्ध है। भौतिकीय एवं जैविकीय प्रकाश के साथ-साथ बायो-ल्यूमिनिसेंस,

रासायनिक ल्यूमिनिसेंस, इलेक्ट्रो-ल्यूमिनिसेंस, मेकेनिकल ल्यूमिनिसेंस, फोटो-ल्यूमिनिसेंस इत्यादि के बारे में विस्तार से जानकारी दी। डॉ. शर्मा ने ल्यूमिनिसेंस के इतिहास, वर्तमान और भविष्य में क्या क्या सम्भावनाएँ हैं पर एमएससी अंतिम और पूर्व के छात्राओं को समाज

के लिये शोध के माध्यम से हम प्रकाश की आवश्यकता एवं महत्व सस्ते एवं किफायती रूप से प्रदान कर सकते हैं। पत्थर से किस प्रकार की प्रकाश निकलता है, सूर्य से किस प्रकार की प्रकाश मिलता है को रोचक ढंग से सचित्र समझाया। उन्होंने ल्यूमिनिसेंस क्या है उसके कई प्रकार हैं किसमें आगे शोध की संभावना है इन सब पर प्रकाश

डाला। पहले घरे में कौन सी लाइट लगती थी वहीं अब एलईडी लगाई जा रही है। पुराने टीवी एवं कंप्यूटर में किस प्रकार से लाइट एवं उसके प्रकार में अंतर आया है। हीरा से किस प्रकार की रोशनी निकलता है। पृथ्वी एवं समुद्र में ल्यूमिनिसेंस की अपार समृद्धि बता पाया है, जल्द ही उसके खोज कर समाज हित में उपयोग हो सके।

शोध के क्षेत्र में दिया मार्गदर्शन

छिपवा डलना आसानी एवं रोचक हो गया था कि इलेक्ट्रो-ल्यूमिनिसेंस को निर्दिष्ट ऊर्जा बनी रहती। उन्होंने एमएससी अंतिम की छात्राओं को शोध के क्षेत्र में मार्गदर्शन दिया और कैसे इस विषय पर काम कर सकते हैं वया क्या और कहाँ कहाँ सम्भावनाएँ हैं पर विस्तार से बताया। अंत में छात्राओं द्वारा सवाल पूछे गये प्रश्नों का उत्तर दिया। प्रोफेसर कमलेश ठक्कर द्वारा कार्यक्रम का संयातन तथा धन्यवाद किया गया। स्वागत भौतिकशास्त्र की प्राध्यापिका डॉ. मंजू बनर्जी द्वारा किया गया।

इंटरनेट पर आश्रित है लोगों की जीवन शैली : दीवान

साइबर सुरक्षा और इंटरनेट ऑफ थिंग्स विषय पर व्याख्यान का आयोजन

लोकस्वर मीडिया नेटवर्क
lokawar.in

बिलासपुर। शासकीय बिलासपुर कन्या स्नातकोत्तर महाविद्यालय के भौतिकी विभाग द्वारा साइबर सुरक्षा और इंटरनेट ऑफ थिंग्स विषय पर अतिथि व्याख्यान का आयोजन किया गया। जिसके मुख्य वक्ता डॉ. तरुणधर दीवान, प्राध्यापक एवं परीक्षा निरीक्षक, अटल बिहारी वाजपेयी विश्वविद्यालय, बिलासपुर रहे। अध्यक्षता डॉ. एसआर कमलेश, प्राचार्य शासकीय बिलासपुर कन्या स्नातकोत्तर महाविद्यालय ने किया।

मुख्य वक्ता डॉ. तरुणधर दीवान ने छात्राओं को आज सूचना प्रौद्योगिकी के महत्व, आवश्यकता एवं सुरक्षा पर व्याख्यान देते हुए बताया कि आज देश की आबादी के 35 प्रतिशत लोग इंटरनेट का उपयोग नहीं न कर रहे हैं अपने अपने क्षेत्रों में कर रहे हैं। जिसका हम उपयोग ज्यादा कर रहे हैं उसकी सुरक्षा को जानना भी आवश्यक हो जाता है। आज आने दिन समाचार पत्रों के माध्यम से यह पता चलता कि ऑनलाइन डगी, पासवर्ड

सुरक्षा, पटीएम फ्राड एवं इंटरनेट हैक जैसे कई घटनाएं घटित होती रहती हैं। सुरक्षा को लेकर के सावधानी बरतने की आवश्यकता है। क्योंकि आज हम लोगों की जो जीवन शैली है वह पूरे इंटरनेट पर आश्रित हो गई है और जहां हम आराम-दायक सुविधा चाहते हैं उसके साथ-साथ उसकी चुनौतियां भी शामिल होती हैं। उसी चुनौतियों से बचने के लिए हम जो उपाय या तकनीक इस्तेमाल करते हैं, उसे ही इंटरनेट की भाषा में वह सामान्य भाषा में सिक्क्योरिटी कहा जाता है। सुरक्षा कैसे करें इन पर बहुत ही सारगर्भित व्याख्यान प्रस्तुत किया गया जिसमें डॉक्टर तरुणधर दीवान

ने आने वाले कुछ वर्षों में कीबोर्ड और माउस की उपयोगिता खत्म हो जाएगी। आने वाले एक दो वर्षों में पूरी मार्केटिंग प्रक्रिया डिजिटल हो जाएगी नोट बंद हो जाएगी। आज इंडिया में ही 35 प्रतिशत लोग इंटरनेट का उसे करते हैं आने वाले कुछ वर्षों में या 50 प्रतिशत इंटरनेट पर आश्रित हो गए हैं इसलिए इसलिए इंटरनेट सिक्क्योरिटी को जानना और समझना भी बहुत ही आवश्यक हो गया है। आने वाले पंचुचर में कोई भी जग बिना इनफर्मेशन टेक्नोलजी के संभव नहीं है चाहे कोई भी प्रोफेशन हो सब में आईटी का उपयोग होना ही है इसलिए इसका अध्ययन भी

महत्वपूर्ण हो जाता है। कार्यक्रम की अध्यक्षता कर रहे डॉ. एसआर कमलेश ने छात्राओं को प्रेरणा स्वरूप उद्बोधन में कहा कि आप लोग खुद पहले मेहनत करें और अपने लक्ष्य को प्राप्त करने के लिए नेट इंटरनेट एंड टेक्नोलजी का सुरक्षात्मक उपयोग करते हुए प्रतियोगी परीक्षाओं की तैयारी करें आने वाले भविष्य आप लोगों के लिए अच्छा है। कार्यक्रम में भौतिकी विभाग एमएससी पूर्व एवं अंतिम की समस्त छात्राएं, विभागाध्यक्ष, डॉ. एपी गोस्वामी, डॉ. वनजी, डॉ. सोनी रहे। कार्यक्रम का संचालन डॉ. कमलेश ठक्कर द्वारा किया गया।

2. Guest lecture by Sheela Dubey (Assit. Prof.)

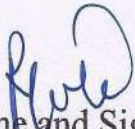

Date: 15.07.2023

Under the auspices of the Zoological Association, we successfully organized an insightful guest lecture for the PG students. Sheela Tiwari Assistant Professors at Govt. Postgraduate College in Raipur, were our esteemed resource persons. She delivered an engaging talk on the physiology of the heart, providing valuable information. Their presentation not only covered the fundamental aspects of heart physiology but also highlighted various conditions that can lead to heart problems, making it a truly impactful session for all attendees.

2. Guest Lecture for P.G. Students

An online lecture on the subject of Real Analysis was organized for the MSc first-semester Mathematics students on September 19, 2023. The lecture was conducted by Mr. Vikram Kumar, Assistant Professor of Mathematics at Government Gramya Bharati Mahavidyalaya, Hardi Bazar, Korba, Chhattisgarh. He provided in-depth information on topics such as the Riemann-Stieltjes Integral, the relation between the Riemann Integral and the Riemann-Stieltjes Integral, the Fundamental Theorem of Calculus, and their significance. Approximately 50 students participated in this online lecture.

Online lecture for M.Sc I sem
Maths students 19/07/23
by Vikram Kumar (Asst prof Maths)

Topic - Real Analysis

M.Sc I sem Maths की छात्रों के लिए
दिनांक 19/07/23 को Real Analysis विषय
पर Online lecture का आयोजन किया
गया। श्री विक्रम कुमार (असिस्टेंट प्रोफेसर)
आपका समय मारती महाविद्यालय, हरदोई
को स्वतंत्रता के द्वारा Real Analysis के
Topic Riemann-Stieltjes integral
Relation between Riemann integral
Riemann-Stieltjes, Fundamental
Theorem of Calculus आदि की विस्तृत
जानकारी देते हुए Online lecture के माध्यम से
छात्रों को दी गई।
उक्त Online lecture में निम्नलिखित
छात्रों की सहभागिता रही।

Guest lecture

Date: 30.01.2024

In Biotechnology department a guest lecture was organized on 30/01/2024 for students of B.Sc. biotechnology by Miss Bhumika Tiwari. She delivered talk on Polymerase Chain Reaction (PCR), her deliberation was useful for students who are interested in medical biotechnology or in research field.

9	Commerce	17.01.24	Visit to "Buka Dam and Buka Lake, Korba C. G.

Report of the Event

5.Educational Tour

Educational Tour: Banaras-Ayodhya

16.Dec.23-19.Dec.23 Department of Physics, GDC

A trip which once got cancelled in the last year is now *finally* on-wheel plan. We had left on 15.12.2023 *via bus* to *start our journey* and we were going to *Banaras*. Including dinner and tea breaks it took 16 hours to reach *Ganga Nagri- Banaras*.

Dept. of Physics, Girls Degree College, Bilaspur organized a three-day study tour to BHU Varanasi and Ayodhya. 15 students from M.Sc. Final Year accompanied by four teachers were part of this. The students also visited Campus Vishwanath Temple and Dept. of Material Science. The vast, green and peaceful campus away from the chaos of Varanasi city was a pleasure to stay in.

Even more enlightening was the Dept. of Material Science, with research laboratories, equipments and till date research work installations all around. We were guided by *Dr. Akhilesh Kumar Singh* Associate Professor & Coordinator School of Materials Science and Technology, IIT BHU. Descriptive lecture was given on use of all the equipments of the entire laboratory and entire research potential. He told the UG PG and Research courses and their respective admission procedure. Dr. Akhilesh Singh told that the department aims to develop a comprehensive understanding of the structure, properties, processing and applications of various advanced technology materials and at the same time also acquire specialized skills and understanding in the selected area of materials technology through the various electives. It offered students endless inspiration and material study techniques. We also got a special support by Dr. Jai Singh, Professor of Applied Physics, Guru Ghasidas University (GGU).

Instruments and Equipments at the Lab

A **water bath** is laboratory equipment made from a container filled with heated water. It is used to incubate samples in water at a constant temperature over a long period of time. Uses include warming of reagents, melting of substrates, determination of boiling point, or incubation of cell cultures. It is also used to enable certain chemical reactions to occur at high temperature.

The **Disc Polishing Machines** are extensively used for polishing the Metallographic Samples for Microscopic observation to study various metal structures. Disc Polishing Machines are finely polished to ensure smooth, scratch free and mirror like appearance that enable accurate metallographic interpretation. Polishing is the final stage in producing a surface that is flat, smooth, scratch-free and mirror like in appearance. Such a surface is necessary for subsequent accurate metallographic interpretation, both qualitative & quantitative.

A **box furnace** is a versatile piece of equipment used for high-temperature applications. Box furnaces use swing out doors or vertical lifts to allow products in a range of sizes to be put inside the furnace. Commonly used in chemistry, materials science, and engineering, box furnaces have a wide temperature range and can heat materials up to 1800°C. This type of laboratory furnace is used for heat-treating, calcining, pre-heating, tempering, and other high-temperature processes.

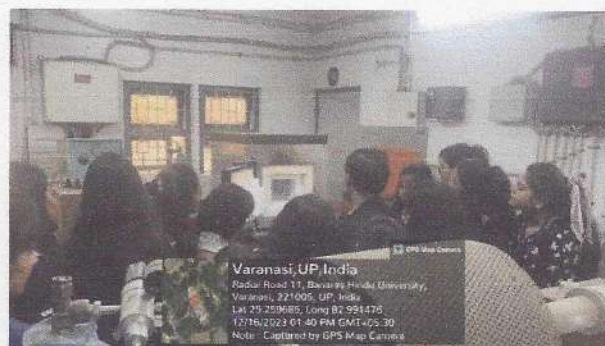

Tube furnaces are another common type of laboratory furnace, primarily used for annealing and melting processes. They are cylindrical in shape and can reach temperatures of up to 1800°C. The furnace is composed of a heating element wrapped around a ceramic tube, which is sealed at both ends. The samples are inserted into the central part of the furnace tube, where they undergo heating.

A **muffle furnace** is an externally heated furnace that is used for low-temperature applications. These furnaces do not come in contact with the atmosphere. They are also used in sterilization, ashing, and heat-treatment processes. These can heat up to 1200°C and can handle a variety of materials like ceramics, glass, metals, and plastics.

High-temperature furnaces are designed specifically for high-temperature applications. **High-temperature laboratory furnaces** operate at temperatures of up to 3000°C. They are used to test materials under extreme conditions, and these furnaces are typically composed of graphite, tungsten, and molybdenum components.

Crucible furnaces are used to melt and heat metals, alloys, and other materials. These furnaces are often used in the casting process and can melt materials at temperatures up to 1500°C. Crucible furnaces use crucibles made of graphite. These furnaces are widely used in metallurgy and materials science research.

An **atmosphere furnace** is designed to provide a specific atmosphere for the sample being heated or processed. These furnaces can produce controlled environments for purposes like brazing, sintering, and annealing. The furnace creates an atmosphere inside using gases like hydrogen, nitrogen, or argon to create a specific chemical environment for the sample. These laboratory furnaces can heat materials up to 1700°C.

X-Ray Diffractometer is a 9kW system used for characterization of the material crystal structure as well as the effect of impurities, strain, meso- structural ordering, particle size. The system allows

characterization of thin films, powders at large and low incident angles and has attachment for characterization at high temperatures (1500 C). Residual Stress and Pole figure analysis.

A **Field Emission Scanning Electron Microscope (FE-SEM)** is a cylindrical column mounted on a desk containing the electron beam, and knob on the column regulate the beam. This advanced technology is used to capture the microstructure image of the materials. FE-SEM is performed in high vacuum because gas molecules disturb the electron beam and the emitted secondary and backscattered electrons used for imaging.

The **Langmuir Blodgett setup** includes creating highly organized and controlled nanoparticle coatings on solid substrates. These coatings can be used as an end product for instance in electronics, biomaterials, sensors, or functional surfaces. They have enabled a wide range of technological breakthroughs in areas such as magnetic recording media, electronic semiconductor devices, integrated passive devices, LEDs, optical coatings.

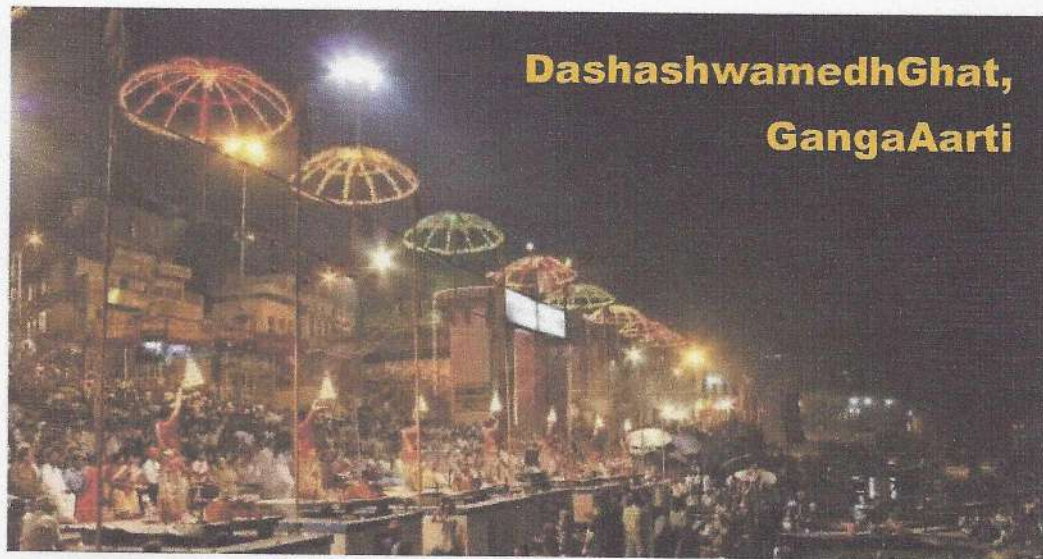

Namoghat Corridor Entry Varanasi

Vishwanath Mandir, BHU Campus

Now we proceed toward the Ganga Aarti

In the evening we saw *Ganga Aarti* and *Kashi Vishwanath Mandir* we got to know more about religious and cultural believes. The 45-minute aarti at sunset offers an otherworldly experience. At *Dashashwamedh ghat*, one moment there's hustle-bustle about finding the perfect place to watch the aarti, and the other moment the entire city falls silent when a *shankh* (conch) is blown. The *shankh* heralds that the aarti is beginning and it draws everyone's attention. The other ghats where people can watch the Varanasi aarti are *Assi Ghat* and *Rajendra Prasad ghat*. *Ganga Aarti* is always scheduled for just after the sunset. In summers, it would start around 7 pm, and around 6 pm during the winters.

**DashashwamedhGhat,
GangaAarti**

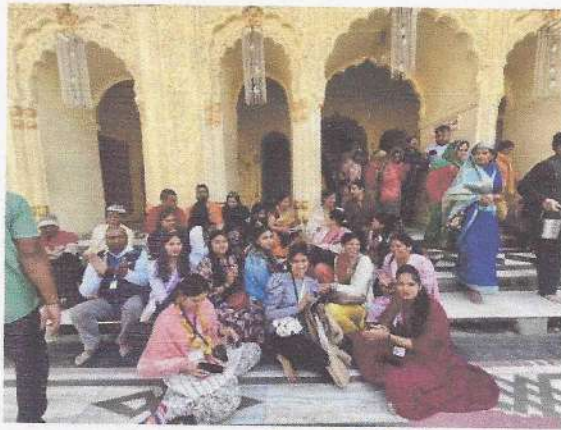

NowweproceedtowardsAyodhya

Afterthis we left for *Ayodhya* where we had darshan of *Great Lord Shree Rama*. We visited Dashrath Bhawan, Kanak Mahal, and Hanuman Gadhi. We did some marketing in around the area. We were fortunate enough to step into the great place Ayodha.

RamJannShobani- Ayodhya

Kanak Mahal

Dashrath Bhawan

We met Regional Organizational minister Manoj Verma Ji. By the time of *Pran Pratishtha*, all the *shikharas* except one *shikhara* of the main temple will be completed. He also told that a special thing in the construction of this temple is that iron and cement have not been used in it at all.

Explaining the techniques of construction in detail, he told that first a plan was made to build the temple by placing pillars from 200 feet below, initially two pillars were made on which a load of 750 tons was placed and it was found that the pillar shifted by 2 inches, then this method was adopted.

Apart from this, a new method was adopted in which a layer was made by making blocks of one foot each and it was placed from 40 feet below the ground and the sanctum sanctorum was placed from below 60 feet and then a load of up to 1000 tons was observed and it was found that this did not cause any displacement in Pillar, hence there was a delay of 6 months in its construction.

For this, scientists from 7 IITs are engaged in research. Still 198 types of works are going on simultaneously here. The entire work of the temple will be completed in about 3 to 3.5 years.

During the tour, Head of Department Dr. A. P. Goswami, Assistant Professor Kamlesh Thakkar and Lab Technician A Sharma and Lab assistant Mamta Gupta joined.

Overall this was a great educational tour. We learnt many aspects including academic, research, cultural, religious learnings. We spent great time with colleague students and faculty members. Bond got much stronger between each of us.

14. Excursion Devpahri and satrenga (korba)

Date 11.03.2024

A group of students embarked on an exciting trip to Devpahri and satrenga (korba) to explore the rich diversity of avian species. This visit was designed to deepen their understanding of avian life, allowing them to observe various birds in their natural habitat. As they wandered through the surroundings, they learned about the different species, their behaviors, and their roles in the ecosystem, gaining valuable insights into the fascinating world of birds were visited devpahri and satrenga dam to get insight of the surrounding.

5.Educational Tour

From January 9, 2024, to January 13, 2024, a total of 17 students from the M.Sc. first and third semesters of Mathematics were taken on an educational tour to Banaras Hindu University (BHU). During this five-day educational trip, the students explored the Mathematics Department and the Central Library at BHU, where they were introduced to ancient and priceless manuscripts, research books, reference materials, Ph.D. theses, and publications by BHU. The students gained valuable insights and guidance from professors and BHU's Ph.D. scholars on preparing for the Ph.D. entrance exam at BHU, the NET exam, and effective methods for writing research papers. The students also admired the art, intricacies, and beauty of sculptures and ancient relics. They took a cruise and visited various ghats of the holy river Ganga, learning about their historical significance. Additionally, the students visited and observed the Kashi Vishwanath Temple, Dandapani Temple, Kalbhairav Temple, and other sacred sites.

Report of the Event

Field Trip

Date: 17th January 2024

Venue: Buka Dam and Buka Lake, Korba, Chhattisgarh

Teacher-in-charge: Dr. A.N. Singh

The Department of Commerce & Management organized a delightful picnic for the M. Com III Semester students on 17th January 2024 at the scenic Buka Dam and Buka Lake, Korba, Chhattisgarh. The event was led by Dr. A.N. Singh, the teacher-in-charge, and was attended by several faculty members, including Dr. Ramesh Kumar Pandey (Head of Department), Dr. D.P. Dewangan, Assistant Professor Nivritti James, Mr. Ravi Kumar Choudhary, Dr. Ankita Sharma, Ms. Vaishali Agrahari, and Mr. Digesh Kumar.

Buka Lake, situated on the Bango Dam and also known as Buka Waterfront or Golden Island Buka, is a stunning natural destination. Located on the Chorai River, the lake is famous for its evergreen waters, picturesque surroundings, and breathtaking sunsets. It has become a popular spot for boating, horse riding, camping, and picnics due to the unique beauty of its small islands, often referred to as Buka Islands. The picnic provided an excellent opportunity for students and faculty members to connect and relax amidst nature. The day began with a warm welcome by Dr. A.N. Singh, who emphasized the importance of taking breaks and spending time outdoors for mental rejuvenation. The participants engaged in various activities, including boating, nature walks, and team games, fostering camaraderie among students and faculty. The breathtaking view of the lake and the serene environment offered an ideal setting for unwinding and enjoying nature's beauty. The highlight of the day was enjoying the magnificent sunset at Buka Lake, which left everyone mesmerized. The group also explored the nearby attractions and shared a meal together, making the experience even more memorable. The students expressed their gratitude to the department and faculty members for organizing the trip, which provided them with a much-needed break from their academic routine. The picnic concluded with a vote of thanks by the students, acknowledging the efforts of the organizing team and faculty for their support and guidance throughout the event. The outing at Buka Dam and Lake not only provided a refreshing escape but also strengthened the bond between students and faculty, creating cherished memories for everyone.

6.Students Workshop on How to prepare PPT

Date: 28.11.2023

The PowerPoint presentation plays a crucial role in the seminar for M.Sc. classes. Many of these students may lack experience with modern technology, which can make the presentation process daunting. To help bridge this gap, we provide comprehensive guidance for PPT preparation. As part of this initiative, final-year students actively participate by conducting live demonstrations. They showcase how to effectively create engaging presentations using a variety of online applications available on mobile phones and computers. This hands-on approach equips first-semester students with essential technical skills and fosters peer learning and collaboration.

Department of Zoology**Report of the Event****7. Workshop on how to prepare clay model****Date 08.12.2023**

Each year, the department hosts an engaging workshop focused on the art of clay model preparation as a creative alternative to traditional dissection methods. During this workshop, students are organised into collaborative groups, each receiving specific assignments that delve into histology, various organ systems, and even rare biological specimens. Armed with soft clay, the students craft detailed models, utilising their knowledge to accurately represent the intricacies of the human body and its functions. Throughout the process, experienced teachers provide valuable guidance and support, ensuring that each model is aesthetically pleasing and scientifically accurate. This hands-on approach fosters creativity and a deeper understanding of the subject matter.

One Day Workshop on “उद्यमिता प्रोत्साहन सम्मेलन”

- स्वावलंबी भारत अभियान

Date: 12th September, 2023

The Department of Commerce organized a workshop titled *Swavalambi Bharat Abhiyan* on 12th September 2023, from 9:00 AM to 11:00 AM, in Room No. 28 for M. Com I and B. Com Semester students. The session began with a warm welcome address by **Dr. Sudhir Sharma, Head of the Department of Commerce**, who set the tone for the event by emphasizing the importance of learning from accomplished individuals in different fields.

Dr. Rajnish Pandey, a distinguished Neurologist with 13 years of experience, delivered an inspiring motivational speech to students at a gathering organized in Bilaspur. Currently practicing at Pratham Hospital, Dr. Pandey shared his journey as a Neuro Physician and emphasized the importance of leadership, innovation, and entrepreneurship in shaping the future. In his speech, Dr. Pandey urged students to aspire to be “**job givers, not job seekers**,” encouraging them to think beyond conventional career paths and contribute to society through innovation and initiative. Drawing from his extensive medical career and deep understanding of neurology, he highlighted the value of perseverance, continuous learning, and empathy in achieving success, not just in healthcare but in any profession.

After Dr. Pandey's address, **Mrs. Aruna Dixit, State Women Head of Swadeshi Jagran Manch**, shared her perspective on empowerment and self-reliance. She motivated students to embrace their cultural roots while striving for excellence and leadership in their chosen fields. Her speech resonated deeply with the students, encouraging them to make meaningful contributions to society while staying true to their values. The event concluded with an interactive Q&A session and the event concluded with a heartfelt vote of thanks by **Prof. Niviritti James**, who expressed gratitude to the esteemed speakers, the organizing team, and the participants for making the event a grand success.

One Day Seminar on "Basic Computer Awareness"

On 8th December 2023, a one-day seminar on "Basic Computer Awareness" was organized for M.Com III Semester students. The objective of the seminar was to create awareness about basic computer knowledge, including the understanding of the structure and functioning of input/output devices, storage devices (monitor, keyboard, mouse, speakers, hard disk, CD/DVD drives), and how to operate computer systems and peripherals in a Windows environment. Dr. Rashmi Gupta, a faculty member from the Department of Commerce, conducted the session, providing both theoretical and practical knowledge. The session was engaging and informative, and students actively participated by interacting with the faculty to clarify their doubts.

Two Days Workshop on "Career Options after Graduation"

The Department of Commerce and Management organized a two-day seminar on "Career Options after Graduation" in association with JEE & MBA Entrance Bilaspur, aiming to provide students with relevant information about career development and future prospects. The seminar focused on key topics such as self-discovery, career exploration, goal setting, and career planning, helping students align their interests and abilities with their aspirations. The keynote address was delivered by Mr. Jeet Dwivedi, Head of JEE & MBA Entrance, who emphasized intelligent decision-making for career growth. The faculty caters to approximately 970 students enrolled in courses such as B. Com (Plain), B. Com (Honors), B.Com (Computer), M.Com, and BBA. The sessions were conducted in alignment with the National Education Policy (NEP), offering practical knowledge alongside skill-based and generic subjects.

The program aimed to prepare students for competitive exams such as CAT, SNAP, BANK, SSC, CLAT, MAT, and CUET. Expert guidance was provided by GCC Educational Services, led by Mr. Jitendra Dwivedi, who conducted insightful sessions on MBA entrance exams, career opportunities, and professional pathways. Due to the large number of students, the program was implemented in three phases:

1. Phase I included B. Com final-year students.
2. Phase II catered to B. Com first-year and BBA first-year students.
3. Phase III involved B. Com second-year and BBA students.

Under the leadership of the Principal, Dr. S.R. Kamlesh, and the Head of the Commerce Department, Dr. Sudhir Sharma, the program witnessed enthusiastic participation from all undergraduate students. Faculty members contributed significantly to the event's success.

The program achieved its objectives by empowering students with the necessary knowledge and guidance for professional and academic success.

वाणिज्य एवं प्रबंध संकाय की छात्राओं के लिए कैरियर काउंसिलिंग का आयोजन

बिलासपुर। शासकीय बिलासा स्नातकोत्तर कन्या महाविद्यालय के वाणिज्य एवं प्रबंध संकाय में शैक्षणिक वर्ष 2023-24 में लगभग 970 छात्राएं अध्ययनरत हैं जिसके अंतर्गत बीकॉम प्लेन, बीकॉम ऑनर्स, बीकॉम कंप्यूटर, एम काम, तथा बीबीए की कक्षाएं संचालित हैं साथ ही राष्ट्रीय शिक्षा नीति के अनुरूप बीकॉम के प्रथम द्वितीय एवं तृतीय सेमेस्टर में एनईपी के अनुरूप कक्षाएं संचालित हो रही हैं। राष्ट्रीय शिक्षा नीति के अंतर्गत छात्राओं को उनके मूल्य विषय के साथ-साथ रिक्त बैरड जेनेरिक विषय एवं अन्य विषयों को व्यवहारिक ज्ञान पाठ्यक्रम के माध्यम से अध्यापन कराने के साथ ही लगातार CAT/ SNAP/ BANK/ SSC/ CLAT/ MAT/ CUET की प्रवेश परीक्षा में सफलता प्राप्त करने हेतु जीसीसी एजुकेशनल सर्विस संस्था द्वारा मार्गदर्शन किया गया। जिसमें महाविद्यालय के वाणिज्य एवं प्रबंध संकाय में कार्यरत अध्यापकों का भी लगातार यह प्रयास है कि छात्राएं इन व्यवसायिक परीक्षाओं में बड़ी संख्या में भाग ले व सफलता प्राप्त करें।

जेसीसी संस्था संचालक जीतेंद्र द्विवेदी द्वारा विभिन्न व्यावसायिक परीक्षाओं एमबीए प्रवेश परीक्षा एवं कैरियर

गाइडेंस संबंधित ज्ञानवर्धक मार्गदर्शन किया गया छात्रों की संख्या अधिक होने के कारण इस कार्यक्रम को तीन चरणों में क्रियान्वित किया गया प्रथम चरण में भी बीकॉम तृतीय वर्ष, की द्वितीय चरण में बीकॉम प्रथम व बीबीए प्रथम की छात्राएं एवं तृतीय चरण में बीकॉम द्वितीय व बीबीए की समस्त छात्राओं ने भाग लिया।

संस्था प्रमुख डॉ. एस.आर. कमलेश (प्राचार्य) के निर्देशन में कार्यक्रम का सफलतापूर्वक आयोजन किया गया कार्यक्रम

में वाणिज्य विभाग प्रमुख डॉ. सुधीर शर्मा (विभागाध्यक्ष) के नेतृत्व में कार्यक्रम संपन्न हुआ जिसमें स्नातक स्तर की समस्त छात्राओं ने उत्साह पूर्वक सहभागिता की इस कार्यक्रम में विभाग के प्राध्यापक डॉ. रमेश कुमार पांडे, डॉ. डीपी देवांगन, प्रो. जेपी दुबे, डॉ. एएन सिंह, प्रो. निवृत्ति जेम्स, रवि कुमार चौधरी, डॉ. अंकिता शर्मा, रश्मि गुप्ता, वैशाली अग्रहरि, डिगेश कुमार उपस्थित रहे। कार्यक्रम सफलतापूर्वक एवं उद्देश्य अनुसार सफल रहा।

Report of the Event

13. Visit Rajiv Smriti van of Bilaspur for bird-watching

Date: 07.03.2024

Rajiv smriti van of Bilaspur was visited to watch the avian diversity. This visit aimed to give insight to students about birds. A group of students embarked on an exciting trip to Rajiv Smriti Van in Bilaspur to explore the rich diversity of bird species. This visit was designed to deepen their understanding of avian life, allowing them to observe various birds in their natural habitat. As they wandered through the lush surroundings, they learned about the different species, their behaviors, and their roles in the ecosystem, gaining valuable insights into the fascinating world of birds.

ENVIRONMENT AWARENESS PROGRAM

VILLAGE – KUTELA & KURELI

DATE- 09/12/2023

On 9th December 2023, a group of geography students from Govt. Bilasa Girls P.G. College Bilaspur visited the villages of Kutela and Kureli as part of an Environment Awareness Program. The primary objective of the visit was to observe, learn, and raise awareness about local environmental challenges and sustainable practices.

Objectives of the Visit:

1. To understand the environmental challenges faced by the rural communities.
2. To explore the sustainability efforts and practices being implemented in these villages.
3. To promote environmental awareness and encourage eco-friendly practices in daily life.

The students observed several environmental challenges, including deforestation, improper waste management, and water scarcity. Both villages had limited access to clean water sources, and the students noted the need for improved waste disposal methods.

DEPARTMENT OF GEOGRAPHY

ENVIRONMENT AWARENESS PROGRAM

VILLAGE - BANABEL & TILAKDIH

DATE- 25/12/2023

On December 25, 2023, a group of geography students from Govt. Bilasa Girls P.G. College visited Village Banabel & Tilakdih as part of an Environmental Awareness Program. The visit aimed to raise awareness about environmental issues and promote sustainable practices within rural communities. Students actively engaged with locals, observed environmental conditions, and contributed to discussions about conservation and sustainable development.

Objective of the Visit

The primary objectives of the visit were:

1. To understand the environmental challenges faced by rural communities.
2. To discuss the importance of sustainable agricultural practices and waste management.
3. To encourage environmental conservation and raise awareness about climate change.

Students engaged with the local communities, conducting surveys and interviews to understand the villagers' perceptions of environmental issues. The students also helped in organizing a small tree plantation drive in both villages, which aimed to promote the importance of green cover.

8.Seminar by P.G. Through PPT

Seminars for M.Sc. Mathematics students are conducted through PPT presentations, providing an excellent opportunity to enhance their creativity, communication, and presentation skills. These seminars allow students to learn from one another by engaging in discussions on various topics and sharing their insights and ideas. Furthermore, the seminars encourage students to apply their creativity in presenting new concepts, which helps develop their problem-solving abilities and critical thinking skills. Organizing such seminars plays a crucial role in the academic and personal growth of students, ultimately supporting their exam preparation and fostering a deeper understanding of the subjects.

5.Seminar by P.G. Through PPT

Seminars for MSc Physics students are organized through PowerPoint presentations, offering a valuable platform to improve their innovation, communication, and presentation abilities. These sessions enable participants to gain knowledge from their peers by engaging in interactive discussions on diverse topics while exchanging perspectives and ideas. Moreover, the seminars motivate students to utilize their creativity in presenting novel concepts, thereby enhancing their critical thinking and problem-solving capabilities. Conducting such seminars significantly contributes to students' academic and personal development, aiding their exam preparation and promoting a deeper comprehension of the subject matter.

9. Peer Teaching Program For P.G. Students

The Mathematics Department organized a Peer Teaching Program for MSc 1st and 3rd-semester students to teach their juniors. The objective of this program was not only to facilitate knowledge exchange but also to foster a collaborative and encouraging academic environment. It aimed to enhance the leadership and communication skills of senior students while nurturing a cooperative and growth-oriented learning atmosphere. Senior students were assigned specific topics and guided on how to prepare and present complex concepts in a simplified and practical manner. They also shared their personal experiences, effective study techniques, time management tips, and strategies for exam preparation. The guidance and experiences shared by the seniors inspired and motivated the juniors, creating a productive and supportive academic environment for all participants.

Peer Teaching

Topic: Transactional Analysis

Subject: Organizational Behavior

A peer teaching session focusing on transactional analysis within organizational behavior was recently organized for students enrolled in the M. Com 2nd semester and BBA 4th semester programs. This innovative approach to learning has been proven to be highly effective in enhancing students' understanding of the subject matter, as well as improving their communication and leadership skills. The peer teaching session was led by Miss Rambha Patel and Miss Mahima Naik, both students of M. Com Semester II. Their dedication and expertise in the subject matter contributed to a successful and enriching learning experience for all participants. Rambha began the session with an introduction, followed by discussions on characteristics, ego states, stroking, and game-changing. Mahima then covered transactions, techniques, self-awareness, script analysis, and life positioning. The topic was concluded by Rambha Patel. Overall, the peer teaching on transactional analysis has equipped students with valuable skills that will benefit them in their academic and professional careers.

During the peer teaching session, students had the opportunity to take on the roles of both teacher and learner, allowing them to delve deeper into the principles and applications of transactional analysis. This psychological theory is instrumental in understanding human behavior and communication patterns, making it a valuable tool for future business professionals by engaging in peer teaching. M. Com and BBA students not only strengthen their academic knowledge but also develop essential skills such as teamwork, critical thinking, and problem-solving abilities. A total of 43 students were present at the session.

Peer-Teaching Activity on "Inflation" Using Cross-Age Teaching Model

A peer-teaching activity was organized on 8th December 2023 for B. Com (Semester I) students under the supervision of Ms. Vaishali Agrahari. Aparna Panda, a student of M. Com, served as the peer teacher and delivered a session on the topic "Inflation" from the subject Business Environment during the 2nd period (8:40 AM - 9:20 AM). The event employed the Cross-Age Peer Teaching model to enhance learning by encouraging students to review, organize, and consolidate knowledge, thereby reformulating concepts into new frameworks, reflecting the principle, "To teach is to learn twice." The activity was conducted offline, focusing on experiential and participative learning, and successfully involved active participation from students, fostering deeper understanding and engagement.

5. Poster competition on the vocation of Wild Wildlife Week

Date: 07.10.2023

National Wildlife Week is celebrated annually from October 2 to October 8, aiming to raise awareness about the importance of protecting and preserving India's diverse flora and fauna. A poster-making competition was held for postgraduate students in line with this initiative. This competition allowed students to express their creativity while highlighting critical environmental issues, showcasing the beauty of wildlife, and promoting conservation messages. Participants were encouraged to explore themes such as endangered species, habitat preservation, and sustainable practices, ultimately fostering a deeper understanding of wildlife conservation among the next generation of leaders.

Celebration of Veer Baal Diwas Essay Writing & Poem Singing Competition

Veer Balak Divas 2023 was organized on 23rd December 2023 at Govt. Bilasa Girls P.G. College, Bilaspur. The event featured two key activities: Essay Writing and Poem Singing. A total of girls, aged 15 years and above, were registered on the My Bharat portal. Additionally, 6 participants took the 'Viksit Bharat' pledge, reflecting their commitment to the country's development. The program was well attended by 97 students who actively participated in these events. The session was graced by Dr. S.K. Sharma, Professor and Head of the Department of Commerce at Bilasa Girls P.G. College, Bilaspur, who contributed valuable insights during the event.

Report of the Event

8. Visit of Chaitanya College under MoU

Date 19.12.2023

As part of the Memorandum of Understanding (MoU), Chaitanya College visited our institution. During this enriching exchange, students from both colleges engaged in lively discussions, sharing insights and experiences that broadened their understanding of various subjects. An informative lecture was organised to further enhance their knowledge, providing valuable perspectives on the topic at hand.

The visit culminated in an exciting tour of our departmental library and laboratory, where the students from Chaitanya College were captivated by the impressive posters created by our M.Sc. students. These posters featured captivating wildlife themes, showcasing their peers' creativity and research efforts and sparking meaningful conversations about conservation and biodiversity.

3. Teachers' Day celebration

Date 05.09.2023

Teachers' Day was celebrated under the auspices of the Zoological Association. This special event aimed to honour the vital teaching profession and recognize the hard work and dedication of educators who devote their lives to shaping the minds and futures of countless students. The celebration included a series of activities designed to highlight the importance of education, featuring speeches from prominent figures in the field, inspiring stories shared by students, and acknowledgements of outstanding teachers. Through this event, the association aimed not only to express gratitude but also to inspire future generations of educators to continue their important work in nurturing and developing young minds.

9.Celebration of swami Vivekanand Jayanti

Date 12.01.2024

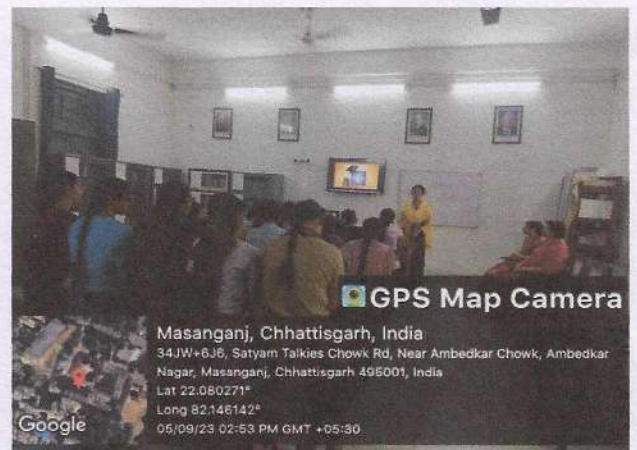

Under the auspices of the Zoological Association, a vibrant celebration of Swami Vivekanand Jayanti took place to inspire and motivate students. The event highlighted Swami Vivekanand's profound teachings, encouraging attendees to embody his principles of self-realisation, service to humanity, and spiritual growth. Through engaging activities and enlightening discussions, students were urged to embrace the ideals of this great visionary, fostering a deeper understanding of their potential and purpose.

4.National Mathematics Day

National Mathematics Day, dedicated to the birth anniversary of the great Indian mathematician Srinivasa Ramanujan, was organized by the Mathematics Department on December 22, 2023. Various events were conducted as part of the celebration, including Mathematical Rangoli, an Aptitude Test, a Poster Exhibition, and a Quiz Competition. Additionally, a film based on Ramanujan's life, The Man Who Knew Infinity, was also screened. Approximately 200 students participated in these various competitions. The panel of judges for these competitions included Dr. Shubhada Rahalkar, Dr. Kiran Thakur, and Dr. Kamlesh Thakkar. A Quiz Competition on Human Rights under the aegis of the Mathematics Department's Eco Club was also conducted.

Report of the Event

1. Teachers Day Celebration

The Physics Department marked the commemoration of India's Vice President, Dr. Sarvepalli Radhakrishnan, a renowned scholar and educator, on his birth anniversary on September 5, 2023. To celebrate the occasion, members of the Physics Association arranged several activities. The students expressed their gratitude towards their mentors by offering floral arrangements and tokens of appreciation. Additionally, they conveyed their reflections and showcased a variety of performances.

3. Formation of Physics Association , Induction Program and Fresher Party

A welcome and oath-taking ceremony was organized by the MSc third-semester Physics students for the newly admitted MSc first-semester students. The program aimed to familiarize the newcomers with various academic activities, institutional schemes, the curriculum, and examination procedures of the college. They were also introduced to the Physics Department's initiatives, curriculum structure, departmental library, and examination-related guidelines. Additionally, emphasis was placed on skill development, innovative practices, and research-oriented learning.

The event was presided over by Dr. S.R. Kamlesh, Principal, who highlighted the significance of maintaining campus cleanliness, adhering to discipline, and fostering cordial relationships between senior and junior students. During the program, association members formally took their oaths, administered by the Principal and the Head of the Department

10. Farewell Program For P.G. Students

The M.Sc. II semester Physics students organized a heartfelt farewell party to bid an affectionate and warm send-off to their seniors as they prepared to step into the next chapter of their academic and professional journeys. The event was honored by the presence of Dr. S.R. Kamesh, the Principal of the college, who served as the chief guest and delivered an inspiring and motivational address to encourage and uplift the students.

The seniors reminisced about their cherished time in the program, sharing treasured memories of the friendships they nurtured, the challenges they overcame, and the invaluable lessons that shaped their academic and personal growth. In return, the juniors shared their own memorable moments with their seniors, expressing heartfelt gratitude for their guidance, encouragement, and the camaraderie that enriched their learning experience.

The farewell was not only a celebration of academic achievements but also a tribute to the enduring bonds and shared experiences that fostered a sense of unity and belonging. It left behind a legacy of inspiration and warmth, creating unforgettable memories for all who attended.

Activity 5: Teachers Day Celebration

On 5th September 2023 students of English department celebrated Teachers day in memory of Dr. S.Radhakrishnan with great zeal and enthusiasm. They welcomed and honored head of the department Dr Ruby Milhoutra and other professors of the department. Welcome song was sung by Miss Aditi Pandey student of M.A.III semester and after the song they honoured teachers by offering shrifal and bouquet. In respectability of H.O.D. and other faculty members miss Ashi Pathak expressed her gratitude and thankfulness for being a lighthouse of the knowledge, vote of thanks was given by Miss Swati Aditya followed by cake cutting ceremony.

12.Saraswati Pooja

Date: 14.02.2024

The Saraswati Pooja was a vibrant celebration held to honor Maa Saraswati, the revered goddess of knowledge, wisdom, and learning. This auspicious occasion featured colorful decorations, traditional music, and the rhythmic sounds of prayer, as devotees gathered to pay their respects. Rituals included offering flowers and sweets to the goddess while seeking her blessings for wisdom and success in their studies and endeavors. It was a beautiful manifestation of devotion and celebration of the pursuit of knowledge.

18.Farewell

Date 08.08.2024

A farewell party was organized by the M.Sc. II semester students of Zoology to honor their seniors, as they prepared to embark on the next phase of their academic journeys. The event was graced by Dr. S.R. Kamesh, the Principal of the college, who served as the resource person and offered inspiring words to the students. The atmosphere was filled with nostalgia and appreciation as senior students took the stage to share their memorable moments from their time in the program. They recounted heartfelt stories of friendships formed, challenges overcome, and the invaluable experiences that shaped their academic careers.

3. Induction Cum Fresher Party

An induction and welcome program was organized for the newly admitted M.Sc. First-semester Mathematics students by M.Sc. Third Semester Students to inform them about the various academic activities, schemes, curriculum, and examination-related details of the college. Additionally, the students were made aware of the Mathematics Department's activities, curriculum, departmental library, and examination-related information. They were also introduced to skill development, innovation, and research-oriented teaching. The program was chaired by Dr. V.K. Sharma, the Incharge Principal, who emphasized the importance of maintaining cleanliness on the campus, upholding discipline, and fostering harmonious behavior between juniors and seniors.

10. Farewell Program For P.G. Students

A heartfelt farewell party was organized by the M.Sc. II semester students of Mathematics to give a warm and affectionate send-off to their seniors as they prepared to embark on the next phase of their academic and professional journeys. The event was graced by the presence of Dr. S.R. Kamesh, the Principal of the college, who served as the resource person and delivered inspiring and motivational words to encourage the students. The seniors shared treasured memories of their time in the program, reflecting on the friendships they had cultivated, the challenges they had faced and conquered, and the invaluable lessons that shaped their academic and personal journeys. The juniors shared their own memorable moments with their seniors, expressing gratitude for their guidance, encouragement, and the bonds of camaraderie that made their learning experience enriching and enjoyable. The farewell was not just a celebration of academic milestones but also a tribute to the enduring connections and shared experiences that created a sense of unity and belonging, leaving behind a legacy of inspiration for all.

Report of the Event

Celebration of Saraswati Pooja

Date: 14th February 2024

Venue: Department of Commerce & Management

Time: 10:00 AM onwards

The Department of Commerce & Management organized a grand celebration of Saraswati Pooja on 14th February 2024. The event began at 10:00 AM and witnessed enthusiastic participation from faculty members, staff, and a large number of students. The program commenced with the traditional rituals and offerings to Goddess Saraswati, the embodiment of wisdom, learning, and creativity. The pooja rituals were performed with utmost devotion and reverence, creating a serene and spiritual atmosphere.

The event was graced by the presence of the following dignitaries:

- Dr. Ramesh Kumar Pandey (Head of Department)
- Dr. D.P. Dewangan
- Prof. J.P. Dubey
- Dr. A.N. Singh
- Prof Nivritti James
- Mr. Ravi Kumar Choudhary
- Dr. Ankita Sharma
- Mrs. Rashmi Gupta
- Ms. Vaishali Agrahari
- Mr. Digesh Kumar

The program began with an invocation of Goddess Saraswati, followed by devotional songs sung by students and faculty members. The pooja rituals were meticulously organized, and the collective prayers created a vibrant spiritual energy.

Dr. Ramesh Kumar Pandey, Head of the Department, addressed the gathering and emphasized the significance of Saraswati Pooja in promoting knowledge, discipline, and creativity among students. Other faculty members also shared their thoughts on the occasion, motivating the students to pursue excellence in academics and life. The event concluded with the distribution of prasad to all attendees. Students participated enthusiastically, making the celebration memorable and joyous.

The celebration of Saraswati Pooja by the Department of Commerce & Management highlighted the importance of cultural and spiritual traditions in fostering a holistic learning environment. The efforts of the organizing team and the active participation of students made the event a grand success.

Activity 8: Fresher's Party

Fresher Party organized by the students of P.G. III rd Sem. English Department was a delightful and spirited event that took place on 12 December 2023 at English Lab. The primary objective of the party was to welcome the new batch of postgraduate students to the department and foster a sense of acquaintance among the students of P.G. Ist Sem. Seniors shared their experiences, academic insights, and offered guidance to the freshers. It was a wonderfully planned event with beautiful ambience and well organized by the senior students of the department, delicious food was served and program was ended with cake cutting ceremony

DEPARTMENT OF LIBRARY SCIENCE

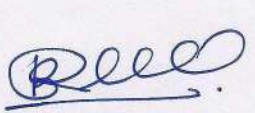

Report of the Event : Role of Digital Library in Society

1. Name of the activity conducted in 2023-2024

Date: 29/11/2024

Our Central Library makes constant efforts to provide excellent services for the educational needs of college students, research scholars and professors, and is continuously achieving success in its objective. This library is continuously developing as an ideal library for other colleges of Chhattisgarh. Continuous improvement is done to make the services of the Central Library excellent. These reforms remain helpful in facilitating the availability of budget and other resources. For college librarians, students of library science, researchers and researchers of other subjects and teachers, this national seminar will prove to be very important for their study, teaching and research.

Career Counseling Program

A two-day Career Counselling Program was successfully organized by the Faculty of Commerce and Management at Government Bilasa Girls PG Autonomous College, Bilaspur, for the academic session 2023-24. The faculty caters to approximately 970 students enrolled in courses such as B. Com (Plain), B. Com (Honors), B.Com (Computer), M.Com, and BBA. The sessions were conducted in alignment with the National Education Policy (NEP), offering practical knowledge alongside skill-based and generic subjects.

The program aimed to prepare students for competitive exams such as CAT, SNAP, BANK, SSC, CLAT, MAT, and CUET. Expert guidance was provided by GCC Educational Services, led by Mr. Jitendra Dwivedi, who conducted insightful sessions on MBA entrance exams, career opportunities, and professional pathways. Due to the large number of students, the program was implemented in three phases:

1. Phase I included B. Com final-year students.
2. Phase II catered to B. Com first-year and BBA first-year students.
3. Phase III involved B. Com second-year and BBA students.

Under the leadership of the Principal, Dr. S.R. Kamlesh, and the Head of the Commerce Department, Dr. Sudhir Sharma, the program witnessed enthusiastic participation from all undergraduate students. Faculty members contributed significantly to the event's success.

The program achieved its objectives by empowering students with the necessary knowledge and guidance for professional and academic success.

परीक्षा पर चर्चा 2024

On 9th February 2024, a session titled "Tips for Students on How to Take Exams in a Relaxed and Stress-Free Manner" was conducted under the guidance of the Department of Commerce and Management. The session aimed at addressing academic and examination-related queries, providing valuable tips for exam preparation. The session covered topics related to exam patterns and effective preparation strategies. It was well attended by students from Semester I, III, and M. Com (B. Com, BBA, M. Com Computer). The session was interactive, and students actively participated in the discussions. The session concluded with encouragement for students to approach exams with confidence, self-belief, and the mindset to face challenges as opportunities for growth.

Report of the Event

6. Doubt Removal Classes

Doubt removal classes are organized to address the queries of slow learners. Doubt removal classes are made more effective for slow learners by adopting the following strategies.

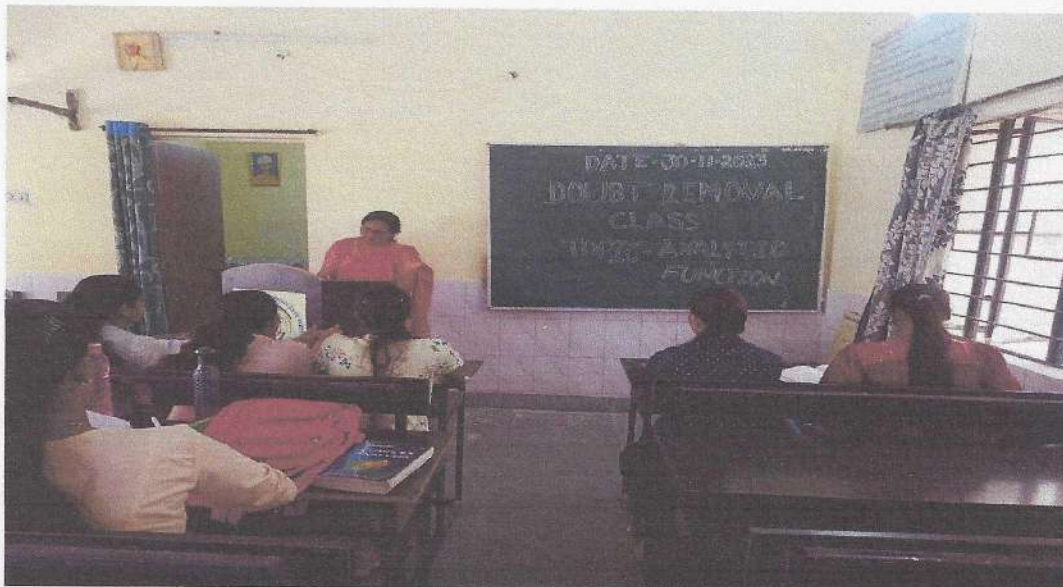

1. Using simple language and real-life examples to explain concepts clearly, ensuring better understanding.
 2. Encouraging interactive sessions where students are motivated to ask questions and share their difficulties, fostering active participation.
 3. Breaking down complex topics into smaller, manageable parts to make comprehension easier and more effective.
 4. Scheduling classes at convenient times to ensure maximum participation and engagement. Offering additional worksheets and resources for practice and revision to reinforce learning.
 5. Encouraging and appreciating their efforts to build their self-esteem and motivation.
- These approaches help create a supportive and encouraging learning environment, enabling slow learners to steadily improve and achieve better outcomes

S.N	Particulars	Event 6
1.	Name of the Department	Department of Mathematics
2.	Name of the Activity /Competition	Doubt Removal Classes
3.	Key Indicator (Experiential learning/participative learning/problem-solving)	Participative Learning
4.	Date	30/11/23 , 29/01/24
5.	Name of the in-charge of the activity	Dr. Aradhana Sharma
6.	Names of the committee Members	Mrs. Manisha Gupta, Mr. Prakash Kumar Yadav Leela Pradhan
7.	Mode of Conduct of the Event(Online/Offline)	Offline
8.	Number of Participants	25 Approx
9.	List of participants (upload the list)
